BETWEEN THE BULLETS

McGRAW'S 24th NO. 1

One week after Reba McEntire claimed her 24th No. 1 on Hot Country Songs with "Turn On the Radio" (1-5), Tim McGraw matches her feat with "Felt Good on My Lips," which ties the two veteran artists for 10th place on the all-time No. 1 list. McGraw most recently led with "Southern Voice," which capped the Jan. 20 chart. That's his quickest repeat atop the chart since "Live Like You Were Dying" and "Back When" reached No. 1 five months apart in 2004. On Top Country Albums, "Southern Voice" takes the Pacesetter nod at No. 49 (up 95%).

It's DIFFICULT to log two back-to-back #1 hits in a row
("Why Wait" and "I Won't Let Go")
It's DIFFICULT to debut at #1 on Billboard's Top
Country Albums Chart (Nothing Like This)
It's DIFFICULT to launch one of the summer's most
anticipated tours (FLATTS FEST)

It's EASY to add Rascal Flatts' new single
featuring Natasha Bedingfield on 6/27

COLLECTION

Arts & Charts

The complete Country Music Charts exactly as they appeared in Billboard magazine from 1944 to the present, in high resolution, taken from the celebrated magazine's pages.

From the owner of COUNTRY MUSIC DATABASE® who has one of the largest collections in the world (with records, videos, magazines, books and comics) comes his latest epic project!

More than 70 years of Country Music Charts from the beginning. The volumes are published in random order (like Marvel's beautiful series "The Epic Collection").
